

Humanity™

MAKE A DIFFERENCE .

Humanity For All is a tapestry of art and written text that unfolds the story of individuals, social justice and the environment. The company was created as a dynamic, branded, lifestyle approach to humanitarianism.

With messages on each personal care item like Sow Love, Speak Kindness, Plant Peace, Make a Difference, accept differences, all blended with edgy and soft, symbolic artwork, this line has gotten noticed and endorsed by many of Hollywood's elite and can be found in major department stores and upscale boutiques around the world.

25% of All Humanity's Profits go to charities that Make A Difference

Each lotion is unforgettably scented... naturally. Our lotions have a non-greasy feel and leave your skin silky smooth. Ingredients include ORGANIC rosehips, horsetail, nettle, sage, chamomile, grape seed oil, sweet almond oil, calendula flower, aloe vera, St. Johns Wart, comfrey leaf, extra virgin olive oil, passion fruit. Our pure essential oils are aroma therapy grade and give each lotion the unforgettable scent. They include lavender, passion fruit, peppermint, cedarwood, sweet orange, rosewood (each lotion uses a different mixture of these oils).
